GLORIA'S GABBING

The All Florida State Rally in St. Augustine was a great success with 176 units attending. We were well represented with 13 members and associates. Next year it will in South Florida so plan on going. Dates and the place will be announced.

Tom and I had a great time on the CAJUN CARAVAN. If you have not been, it is a great one! Larry and Judy Boudreaux are wonderful leaders and planned plenty of activities as well as free time. We learned a great deal about Louisiana's history and ate and ate Cajun food.

Our "LUCK OF THE IRISH" rally was a lot of fun. Lois Kalthoff initiated new members, Theo and Joanne Leyrer, from Pace. Thanks to Mary Potter for the chili dinner on Friday night, Vickey Johnson for the traditional Irish dinner (corn beef and cabbage) and Lois Kalthoff for the desserts (green cakes) on Saturday night. It was all delicious! Tom and Ron did pancakes on Saturday morning.

Due to sickness our entertainment couldn't come, so Abby and Johnny DeGuire (our grands), danced their version of the Irish jig. Lois Kalthoff and Tony Land won our cover all bingo. The Pot of Gold Treasure Hunt was enjoyed by all. New member Theo Layrer won the treasure (a free night of parking).

It was so good to have Jim and Vickey Johnson at the rally. Dave and Oneida (Ann Parks) Starr and Sandy and Neil Enfinger drove up for Saturday. John and Sandy Stumpf were able to be with us for the entire rally. Vivian and Auggie King are hosting the park. Thanks!!

Don't forget the International Rally in Farmington, NM, June 26-July 4th. Also, remember our Mini Work Rally, April 15 & 16. Parking is free if you work. Sandwiches, soup and pizza will be provided for lunches. Breakfast on your own, coffee will be going all day. Wednesday and Thursday bring your dinner to the club house at 5 PM and let's eat together. So, come and let's clean and spruce up the park.

Our regular rally will be BRING A KID, COUNTY FAIR WITH A CIRCUS FLAIR! I have engaged some professional kids' clowns to entertain us on Friday night. Please bring your grands or friends' and their grands or children. The program that night will be focused on 2-5 year olds, but we are all children at heart so it will be enjoyed by all.
