## GLORIA'S GABBING

The FIRECRACKER RALLY was just that! It was hot as a firecracker but thank goodness we were in our air conditioned club house and our trailers. Even though it was hot Pam was able to get the grass mowed. Thanks, Pam. It looks sooooo much better. Bob, Tom, Tony and his grandsons picked up limbs. There is a big tree down next to the fire pit, but we did not get it cut up.

Friday afternoon we had a terrible thunderstorm. Lightning struck a tree by Row A and ran to the water pipes and burst a two inch main, so we had a big leak. The water is off on Row A for now.

Thanks for all the help I had with the cooking. Especially Cheryl Land and Marianne McAuliffe. Tony Land installed the new door to the hall to the restrooms. Now we can let campers and friends use the restrooms and the washer and dryer without having to access the rest of the building. Thanks Tony!

Everyone enjoyed bursting balloons to see if they had a winner's notice inside. Winners were: Jim Gregory, Gloria Carter, Cooper Land and Inez Bowman. Also we played Patriotic Bingo which was won by Mary Potter, Colton and Cooper Land, Pam Purdy, Bob McAuliffe, Inez Bowman, and Pat Gregory.

**REMEMBER, we will make homemade ice cream. Please bring your favorite recipe, fixings and freezer.**

### Cow TIPPIN'

*This rally will have a Western flair,  
So dress as a farmer or in Western wear.*

*Bring your ice cream freezers and  
we'll beat the heat.*

*By making homemade ice cream,  
always a treat!*

*Cow tippin' really can't be done,  
But telling about it is really fun.*

*First, cows don't sleep standing up,  
To tip them over you'd be out of  
luck.*

*We will stay inside and play  
cards and games,*

*Enjoying the fellowship, you'll  
be glad you came!*
