GLORIA'S GABBING

We had great participation at the Geritol Olympics Rally. Friday night we had a GRAND opening ceremony. Each person choose a flag of a different country to carry in our Olympic parade. Leading the parade of Geritol Olympians was new member, Cheryl Land, carrying the Olympic flame with Pam Purdy, Mystic Springs, and Barbara Alpher, visiting full-timer, carrying the Olympic flag. The

Member Pam Purdy and visitor Barbara Alpher lead the parade carrying the Olympic flag.

Olympic flame was lit and the games began Saturday morning. Everyone enjoyed games, such as the discus throw (paper plates), putt putt golf (cane as a putter), balance beam (taped on the floor), ring toss (bean bags into Olympic rings drawn on floor), curling (blowing a milk jug lid on the table top into a two inch square), blowing paper off

a straw, and a timed event consisting of rolling dice, breaking balloon with darts, dropping clothespins into a jar, and carrying a plastic egg on a spoon around the room without dropping it.

The closing ceremony was held Saturday night with the presentation of medals and extinguishing the Olympic flame.

GERITOL Olympics Highlights

(top) Ron Cherry scores Joe Holden as he drops clothespins into a Mason jar.

(center) New member Cheryl Land has the high honor of lighting the Olympic torch.

(bottom) New member, Tony Land putts with a walking cane.

A HUGE thanks to Marianne McAuliffe, Ann Wells and Noreen Maneri for the delicious meals and the guys for Saturday's breakfast. Also, a special thanks to Cheryl Land and Ron Cherry for their help with the games and decorations. It was good to see Dave and Oneida (Ann Parks) Starr at the park. Y'all come back! Also, Charlotte Donaldson came up on Saturday. We hope to see you and Wayne this month. Thank you Ann and Stan for hosting the park and Doug Rowbottom for leveling several pads.

The Sunday morning devotional was led by Pat Gregory. We had testimonies, prayer requests and praises: Jim shared his salvation experience, Ann and Stan told about their son's recovery from a heart aneurysm, Tom shared about his clear scans and Gloria praised God for daughter, Heidi's, continued improvement from a brain aneurysm, Barbara Alpher, visitor, said being at Mystic Springs just feels right...and Ryan Cunningham, who is rebuilding an Airstream at the far end of the park, said this place was just what he needed and it is wonderful!

The February Heart to Heart/Past Presidents' Rally will be February 20 thru 22. We will have a luncheon in their honor.

HEART TO HEART

*The love of camping joins our hearts.
Adventure and fellowship are a big part.
Attending rallies and making new friends
The binding of heart to heart begins!*

*This month we honor the past presidents of Mystic Springs
For their wisdom and the memories they bring
Of our unit and our park from a long time ago
Without their stories, some things we wouldn't know.*

*Heart to heart like a family we've become
So every time you can, join us for fellowship
and FUN!!!
