## GLORIA'S GABBING

Wow!!! What a fun unique dining experience we had at the rally on Saturday night at Mystic Springs Diner. Everyone brought their humor to the table and when a course came with no fork, knife or spoon, diners used their imagination. Millie Cochran said "I just ate my meat with my fingers, then licked the gravy off. It was delicious"! Others were lucky enough to have ordered a toothpick which they used as a fork. The diner served the BLUE PLATE SPECIAL in four courses.

The menu consisted of: GROOVY (apple pie), COOL IT POPS' (water), THE BOMB (milk shake), CHICK (toothpick), FUNKY (squash), JITTERBUG (green beans), LICORICE STICK (knife), SMOKIN' (roast beef), BUG OUT (fork), CRUSING (butter), DUDE (potato), FLAKE (roll), FUZZ (spoon), HANG LOOSE (napkin), MAKE OUT (mint) and CORNY (carrot sticks). Items were chosen from 50s and 60s phrases.

The waitresses and waiters wore clothing depicting the 50's and 60's. (Tips went to Coins for Kids). Each person chose a nickname and were dressed in the period. There were poodle skirts, rolled up jeans, white tee shirts with rolled up sleeves, flip and beehive hair, cat-eye glasses and roller skates.

The diner was decorated in the traditional style of the fifties. 33 1/3 and 45 rpm records hung from the ceiling. The tables for four were covered with red and white tablecloths.

"A UNIQUE DINING EXPERIENCE"

(top) Pres. Gloria shows off her 50's costume, complete with roller-skates.

(center) Pam Purdy won best costume.

(bottom) Ryan Blass is installed by Past Region 6 Pres. Lois Kalthoff.

The centerpieces were a 45 record holding glass coke bottles of white flowers. The front wall was decorated with red and white checkerboard posters, a large tin coke sign and coke trays. Of course, the 1957 Chevy and 1935 Airstream (made by John Stumpf, past international president), completed the scene. Pam Purdy won best costume with her beehive hair and cateye glasses. It was great to see the participation!!!

On Friday night we had a meal from India. We fixed our plates with rice, covered with a chicken soup, then added a spoon of egg whites, egg yolks, raisins, celery, onion, red and green peppers and olives, all finely chopped and topped it off with a sauce and crispy noodles. After dinner we played limbo, (won by Leslie Randall) hula hooped, and did the twist (won by Henry Foster and Lois Kalthoff).

Thank you so much Cheryl Cherry for all the planning and cooking for this entire rally! Also thanks to your helpers, especially friends, who came on Saturday just to help with the diner.

We initiated another new member of Unit 029, Ryan Blass. Welcome Ryan, and thanks for hosting the park for May and June.

Sandy Stumpf did our devotional Sunday morning. It was inspiring. Thank you.

Tom and I will not be at the June rally. We will be on our way to the International in Farmington, NM.

At our general meeting we voted to approve the International Slate of Officers and a change to the wording of an amendment. Delegate is Lois Kalthoff with Gloria Carter, alternate.

**SPECIAL ATTENTION:** The board voted to have a free July rally. Come and enjoy the food and fellowship at our FIRE CRACKER Rally July 17-19. The "no rally fee" applies to all regular members and affiliates of Unit 029. The parking is still \$11 and \$13 per night. You must stay at least two nights.

## CRUSIN' RALLY

*No food prepared, no rally fee.  
Just pot luck each meal, will be.  
Bring your canoe, kayak or pontoon boat,  
And cruise our river or just float.*

*Camping fee will be the same,  
Visit, eat and play some games.  
Hope you have fun with this laid back plan.  
Relax, enjoy and come back again! (next month)*

(by gloria carter)

*Several Unit 29ers cruised Alaska the last couple of weeks. They are: Neal and Sandy Enfinger, Gloria and Tom Carter. Ron and Cheryl Cherry and Cheryl and Tony Land. Tony caught a nice salmon, which was prepared and served to the eight on board the Princess Grand.*

*Crusin' Rally Diners try to figure out their nonsensical menu. They are: Millie Cochran, Pam Purdy, Ken Misenheimer, Waitress Cindy Willis, and Sharon Holden.*

# Rally Schedule - **June 19-21 Crusin' Rally - Pot Luck**
