GLORIA'S GABBING

I am honored and humbled that the membership has elected me as president for another year. I had fun last year and am anticipating another great year.

Thank you to all the officers and directors for staying with me another year. Welcome Tony Land, new director. Also, thanks to Lois Kalthoff, Region 6 Past President, for presiding over the installation.

My Tom was such a big part of my year, helping with so many things like the newsletter, website, and being Mr. Fix-it! He is always encouraging me. Thanks!!!

Our annual meeting went well. The park and unit are holding their own.

Cheryl Land, you did a great job as rally host, taking care of all the cooking, decorations and preparing for the installation reception. It was beautiful and delicious.

Also, thanks Cheryl Cherry for helping with the decorations and keeping things running smoothly all year. I really appreciate the willow tree grandmother figure to add to my collection. And, I cannot thank you enough for capturing my year with photos in a scrapbook. It will be around for viewing at the November rally.

The notes of encouragement and support from you, my family at Mystic Springs, were so kind and were much appreciated.

Note from Nelson Thornton, Hattiesburg, MS, in September:

"Mystic Springs and Pensacola Unit Members, Thanks for letting me stay in your beautiful campground. I found it to be a very nice and peaceful camp. I hope to return soon. Til then I have enclosed a check. Sadly, I will miss your Rally and the Region 6 Rally. Hopefully, I will see y'all soon. Keep in touch and thanks once again." Nelson Thornton

NEW YEAR

*I am looking forward to another year
As president there is still some fear.
But I am honored you have chosen me
Your help and support, for success, is the key.*

*Come join me and let's have fun
And hope that more members will come
We'll work together with your suggestions
To spruce up the park for a great first impression!*

*Make new friends, but keep the old
One is silver and the other is gold.
So that our motto should be
For camping brings new and old friends together you see.*

*Again, I'll try my best not to make mistakes
But remember this is still the job **NOBODY WANTS TO TAKE!!!***
