## GLORIA'S GABBING

The final rally of this year, COW TIPPIN', was lots of fun. From corralling the cows (balloons with cow faces), roping a steer (cow made from saw horses and white paper with black spots), to milking the cow--- everyone enjoyed the laughs. The women won, building their version of a COW TIPPIN', against the men.

Pat Gregory and Sharon Holden were the rally hosts. Their food was delicious. It was good to see Pat Holt who came up to visit and for dinner. Morris and Millie Cochran also came up for the day Saturday.

Marianne McAuliffe and Amelia Land

The men worked hard sawing up the fallen tree and trimming the entrance and exit roads. They also burned the big pile of brush. Homemade ice cream was enjoyed by everyone and it helped beat the heat.

After dinner on Saturday we had a visit from the Chick-fil-A cow. Thank you everyone for making the rally a success!

This has been a fast and fun year. Looking back, I have many great memories. Some of the special rallies were the Geritol Olympics, what great participation; COUNTRY FAIR, with our professional clowns and all the games for the children. They had a blast throwing water balloons at me and whipped cream pie at Pam (good sport) and the Mystic Springs Diner surprise meal. I hope you all enjoyed them too?

Don't forget this is our Installation Rally. We will have a general membership meeting on Saturday afternoon and vote on the slate of officers. Also, we will have year's end reports.

Velma Foster is in charge of the flea market at Region 6 Rally and suggests we take or send our items we have been collecting for a yard sale and sell them there. So bring them to this rally and we'll try to arrange transportation. The Region 6 Rally is in Picayune, MS, October 13-17.

Don't forget to purchase your tickets (\$2.00 each or 3 for \$5.00) for a chance to win the CLIPPER model Airstream. Tickets will be sold at Region 6 with the drawing held there after the flea market.

The board voted to have Billy Boutwell, Jay, to mow four months at \$150 per month, since most of our members are unable or don't have time. When we have hosts, mowing will be part of their duties. We are asking for donations to help with this project.

## Proposed Slate of Officers
