## GLORIA'S GABBING

It was a rainy stormy weekend, but we made the best of it. On Friday we played games. Some enjoyed joker while others played hand and foot. Visitors, Glenn and Teresa Taylor from Oregon, stopped in for a few days to enjoy our

park and the rally on their way to the State of Florida Rally in the Keys. We enjoyed delicious soup made by Cheryl Cherry. It was the perfect food for our chilly rainy night. After dinner we enjoyed Bingo, with prizes won by Sal Maneri, Bob McAuliffe and Jean Woodall.

Honoring the past presidents began at the cross by the river, where we all gathered to remember those who have passed. Ron Cherry read the names as Cheryl Cherry rang a bell after each one. Bruce Ridlon from Maine, dressed in his kilt attire, played his bagpipes in remembrance.

Everyone returned to the clubhouse which was decorated with green and white. Chef Tony Land followed Bruce in as he played his bagpipes to present the delicious fried fish. This is a tradition to celebrate St. Patricks Day in Scotland where Bruce's family originated. It was quite unique since the food brought in for presentation is usually a boar's head, not fish.

The meal prepared and served by Tony and Cheryl Land, Cheryl Cherry, Marianne McAuliffe and Pam Purdy was enjoyed by everyone. The dessert was none other than Key Lime pie and cupcakes.

After lunch many of the past presidents told of their experiences as president. There were 12 past presidents attending. It was good to have Dave and Oneida Star attend.

The remembrance plaque in the clubhouse was updated with red engraved badges for each deceased past president, except Eugene Rosenthal, designer of our host shed and tree planter with a mission, who passed March 15th.

The host shed roof is completed and looks great! Thanks Tony, for your perseverance with that project!
