# CHERYL'S CHATS

The December rally of "An Old Fashioned Christmas" was a lot of fun. I hope everyone had a great time. We had some crazy weather. but the time we shared was the best.

Thursday night the group grilled out and had a great time of fellowship. The Thursday night group is a great way to just get to know your fellow Airstreamers. I hope you make plans to join us this month.

Friday morning we finished decorating for the rally. Thanks to the ladies for all your hard work, couldn't do it without all of you. We gathered at 11:30 and went to the Panhandle for lunch. We spent the afternoon baking cookies to share with Santa and for our party on Saturday. Sharing our recipes was lot's of fun. I enjoyed baking with all of you...hope we can do it again real soon. As always, there were games of Hand and Foot to be played, and even some Joker.

Our host, Barbara Alpher, cooked some really great turkeys for dinner on Saturday. The meal came together into a delicious feast with the help of a great group of ladies. The fun began after dinner with the game of Dirty Santa...it truly got a little crazy. Hope everyone enjoyed the gift they took home.

The next rally is Jan. 19th - 22nd, and we will be off to the races. The plan is to have racing teams that will work together to win the grand prize. There will be a number of racing games that teams will take part in to get points and win the championship. It should be lots of fun, so plan to join us. The cooks for the weekend are Tony Land on Friday night, frying fish for us and Pam Purdy on Saturday night, making her gumbo. So, hope to see you for the seafood.

*Excellent chili is served to Land grands Amelia and Kale by Mary and Carolyn*

February 3rd and 4th we are planning a work weekend to paint the club house floor and other things around the camp.
