GLORIA'S GABBING

We had a great time in Lewisburg, WV at the International Rally. There were 660 units on the fairgrounds. There was a lot to do and to see. The covered bridges, the Lost Cave, the coal mine, a ride on a 1926 steam train, enjoying the play "On Golden Pond", and walking under the New River Gorge Bridge 860 feet above

the river. Some folks toured the Greenbrier (before the flood), which was the bunker for Congress during the Cold War. We had great entertainment, many vendors and a great flea market.

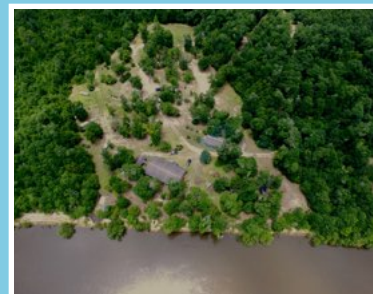

The flooding there was a great tragedy. WBCCI helped both financially and with unloading the supplies trucked in. We were only without power for 18 hours, but had to boil water for a few days. The flooding did not actually affect the fairgrounds otherwise.

There were three units of our members, and five affiliate members attending. All in all it was fun, entertaining, educational, and we saw many old and met some new friends.

By the way, our float in the parade won BEST OF SHOW, the second year in a row. Tom won a red ribbon for one of his photos. Abigail Ginn won bingo. I hope more of us can make next year to Escanaba, Michigan.

Our "Christmas in July Rally" was fun. We had the winning float reassembled so those who were not in Lewisburg could see it. Thanks to Henry and Velma for loaning us their Christmas Palm tree, to Cheryl Land for the Wally Byam Sandman (snowman) Ron Cherry for his wagon, and those who worked so hard assembling it! Mary Potter, Lois Kalthoff, Vickey Johnson and Granddaughter Abigail Ginn (who also wore our giant flamingo floatie and pulled the wagon). Thanks also to Jim Johnson and Tom Carter. It would not have been successful without all of you!!!

Don't forget this is a Buddy Rally so bring your friends. Also, if you have a freezer, bring it and the makings for our annual ice cream treat. This "End of the Road Rally" will be my last official rally as your president. I would love to have as many as possible come for the fellowship. Thank you for your part in making our Unit successful!

END OF THE ROAD

*August marks the end of the summer season,
Also the end of my presidency, so that's the reason,
"END OF THE ROAD" is my final rally theme.
Thanks for all the support you've given me.*

*Let's play Joker, Holey Board, and Dominoes, like
Summer Olympians, let's compete.
We can't forget Hand and Foot, it will be neat,
To see who wins, individuals or a team,
Then we'll celebrate with homemade ice cream!*
