CHERYL'S CHATS

Wow, what a wonderful weekend at Mystic Springs! It was a labor of love for numerous people. The planning for our Homecoming and Past President's Rally started back in October 2016. A group of us found ourselves thinking the same thoughts on how great it would be to have some of the members who have left come back join us for a rally. Vickey and Jim Johnson, with Gloria Carter, got busy looking up names, addresses and making calls. Their hard work paid off. We had twenty trailers at the rally!

On Thursday night the grill was smoking hot. 34 people enjoyed steaks and such. People got caught up on old times and new friends were made. If you weren't there you missed a real good time. Join us in April--this month.

Friday we woke to a beautiful morning, with more friends coming in all during the day. The lunch group was off to two different restaurants. The Panhandle group had 29 people that enjoyed down home cooking. The group that went to David's had about 10 people who just had to have seafood. The afternoon was spent with games, music and lots of story telling. Vickey Johnson kept us posted on all arrivals. That evening 46 of us gathered for a "Trip to India" dinner. Thanks Cheryl Cherry for such a great meal! She always comes up with a different take on a meal. The rest of the evening was filled with games and fellowship. Thanks for

everyone who helped to make the first full day a success.

Saturday the guys cooked pancakes, eggs and sausage for breakfast. Thanks for getting our day off to such a great start. Gloria Carter was busy getting the photo wall ready for all to enjoy. If you didn't get a chance to see it we will be leaving it up during the April Rally. Cheryl Cherry and her volunteers were busy in the kitchen getting lunch ready for the Past President's luncheon. When we sat down to

eat, we had 25 past presidents and spouses, making our total around 62 people. The trip down memory lane was started by Tally Burkhead, who gave us a short history of Mystic Springs. The floor was opened to everyone who wished to share a story about the park. For those of us who are new to the park, thanks to all who came out to make this a really great rally. The afternoon was spent playing hand and foot, joker, and listening to some great music. Please make plans to join us for another rally and try to make it before the next Homecoming/Past President's. Please let me say THANKS to all who helped in making this weekend such a special time. This rally was hard work and many hours of personal time given. I will not name everyone in fear of leaving someone out, but there is one person who works behind the scenes, taking pictures and making this newsletter
