## CHERYL'S CHATS

The Endless Summer Rally was a huge success, thanks to all who stepped up in my absence. Marianne McAuliffe, our 1st VP, took on the planning for this rally, and did a great job. We were joined by the Tampa area Florida Unit. We enjoyed their company, as well as the buddies who attended. This rally was one of our largest this year, with a total of 18 trailers.

Thursday night began with 23 people enjoying a meal from the grill. If you haven't done this you are missing a blessing. The meal is "bring your own". The fellowship can't be beat.

*Ron Cherry and Jim Johnson grill Marianne's Hawaiian chicken.*

Friday came and a total of twenty people went to eat lunch. Sixteen went to the Panhandle restaurant, four went to David's Catfish. For dinner Marianne and her crew put on a great meal of pulled pork sandwiches and sides for 29 people. Yum, yum!

*A brilliant sunset over an old Airstream in storage.*

After dinner there was some fierce competition among outstanding coconut bowlers from both units. On Saturday morning breakfast was a delicious casserole skillfully created by Mary Potter.

*Buddy Jim Hicks accepts his award for "coconut" bowling.*

The Florida Unit made a trip to the museum aboard NAS Pensacola and returned to camp for a great meal of Hawaiian chicken. To round out the excitement for the day many participated in some stylish Hula dancing. Sure wish I had been there to
