## *President's Message:*

Well another month has come and gone. Time is sure moving right along. Our May rally was full of fun and Mexican food. We had Taco salad Friday night and also had a full meal of Mexican on Saturday. It sure was good. We really miss the ones who were not there. There is a different theme each month, so make plans to come and have fun with us.

Now that the warm weather is here, guess what, ants are back. Our men got out on Saturday and filled the ant baiters up and placed them around the park. It helps some, but doesn't kill all the ants. We had some limbs and trees down during the recent rains that needed removing. There is always something that needs to be done at the park and thank you to those willing to help us out around the park.
