President's Message:

Our August rally was great. We played games and made wonderful home made ice cream. It was cool inside, but oh so hot outside. We also did a few things around the park, like cut grass and fill up ant baiters. This was my last rally before the Installation rally.

I have enjoyed being your President and hope everyone has enjoyed this past year. Now it is time to pass the Ice Cream Scoop. It seems like I was just elected and now it is time to elect our 2014-15 officers. I think the time went by fast.

I would love to see more participation at our monthly meetings. Our park could use the revenue and help. It takes all who are able and willing to help keep our park going. Make plans to come and support the unit and park this year.
