President's Message:

Our December Christmas rally at the park was like the song, *It's beginning to look a lot like Christmas*. The weather was cold, club house was decorated, outside lights were strung and the children were anxiously awaiting the arrival of Santa. Our local McDavid Fire Department brought Santa and his elves with him on the fire truck. He passed out candy canes or gifts. There were cookies and punch for everyone. We had great meals, with our party topping off the rally. The Christmas party is always a fun time for everyone. Gifts were exchanged and Christmas music was sung. Our rallies are small but enjoyed by everyone present. We hope to see you at the next rally in January. Invite a friend who might be interested in our Airstream club.

Thanks, Velma

Work & Friendship Rally

Our work rally is scheduled for January 15-16th with the Friendship Rally the weekend of January 17th-19th. Our work rally will be cancelled if the weather is a concern. We will let everyone know as soon as possible. A local Square Dancing group will be with us. They plan to entertain us and maybe teach us to dance. Ya'll Come!

Reminder

The Christmas Party was a great hit. The grandchildren of Tom & Gloria Carter and Fred Steinle loved seeing Santa and enjoyed the cookies. Henry dressed as Redneck Santa and passed out candy canes.
