President's Message:

Our March rally was a great time spent connecting with Past Presidents and reminiscing about old times and the fun they had while in office. We had 7 past presidents and 24 members attending the luncheon on Saturday. The food was prepared by Debbie Bassett, Velma's cousin, and everyone enjoyed it. The weather was great which made the weekend an enjoyable one.

I also would like to thank everyone who decorated and set up the tables for the rally; Tom for making photos; and everyone who helped for the weekend. I was out with shoulder surgery. I am doing better, but it will take a while to fully recover.

Past President's Rally

We had the honor of having our International President and his wife at our Past President's Rally. John and Sandy Stumpf are members of our Pensacola unit and have served as President. They are busy making the final plans for the International Rally in Gillette, Wyoming. We were privileged that they took the time to attend.

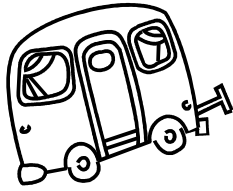

May Rally scheduled for 5/16-18

Our next rally is scheduled for May 16 thru 18. Mark your calendars now for next month. There will be a called yearly meeting in which we will vote on the issues at International. Please plan to attend to make your vote count.

Park Hosting

April & May host is Carol Rice. Thank you to Augie King for hosting last month.

Vintage & Buddy Rally Theme

The theme for our rally this month is the Good Ole Fifties. Plan to wear your poodle skirts, leather jackets, oxfords, and any other clothing representative of that time period.

Also, this rally is an opportunity for you to invite your friends for the weekend who have other trailers.

Holiday Reminder

Good Friday is April 18, with Easter falling on April 20. Share some quality time and candy with your families.
