## *President's Message:*

Hello everyone. Our November rally was a good rally. We had 12 members present with 8 Canadian present, The weather was good not too cold. We look forward getting with members each month, eating, & eating and playing games. We try to do a craft each month and spend time together. Thanks to everyone who did the cooking, washed dishes, and all others who helped. For the Unit to be successful, we need your support. We will be planning activities each month with different menu & themes. I would like to invite everyone to set aside the 3rd Friday of each month, to come and support us this year. Wish everyone had a Happy Thanksgiving.

Thanks, Velma

## *Region 6 Rally Gadsden, Alabama*

We enjoyed Lonnie Carver's first rally. The camping was at a great place with full hookup and not too far from home. We really enjoyed the entertainment and food. I would say it was a great Region rally. Thanks Lonnie
