President's Message:

Our January rally went off without a hitch. We had the work rally first, followed by our regular monthly rally starting on Friday. We had few in number, but with our visitors staying at the park, we got a lot of work done. We had to work on both heaters. Doug Rowbottom, along with Tom Carter, knew just how to fix both. It might be cold outside, but it is now warm inside. We had the Track II square dance group entertain us both nights. Some of our members took the group up on their lessons and learned how to dance. Fun was had by all. The food was great both nights. Thanks to Sharon and Joe Holden for Friday night's hamburgers. Saturday night was also great, thanks to everyone who helped. We hope to see you at the next rally in February.

Winter Wonderland in FL

How is everyone enjoying this nice, cold weather? Have you been out snow sledding or building a snowman? This has definitely been a winter to remember here in the sunny state of Florida. Our snowbirds just thought they were getting away from the cold, but instead, they just feel right at home. Enjoy and be safe!

IBT Rally, Rayne, Louisiana

Henry Foster attended the IBT Rally in January. He was Coffee Chairman making coffee for 165 people in 77 trailers.

Park Hosting

February host is Aggie King. Thanks to our January hosts, Sal and Noreen Maneri.

January is our work rally here at the park.

Square Dancing can be a lot of fun, as seen here by Track II Square Dancers and many of our own members.
