## *President's Message:*

We were small in number for our April rally, but the food was good and hunting for Easter eggs was fun. We met one week early because the next weekend was Easter, and we felt people needed to be home with family for the holiday.

Summer will be coming quickly now that Easter is over, and everyone will be traveling and visiting family. Summer is always a fun and busy time. We will be having a rally in May, but no rally in June, due to the International rally.

On the Park side, we will be needing volunteers to help fill ant baiters to control the ants. Anyone who can help, please call Tom Carter or Henry Foster to set up a time to go fill them. I'm always thankful for assistance, whether in the kitchen cooking, cleaning, decorating, making photos, or helping around the park.
